

# IDRA CREM

## Almond and Avocado

A specific product for treated, stressed, dry, after sea and ethnic hair.

The cream is formulated with the adding of avocado oil, almond oil and quaternars that have a conditioning, moisturizing and soothing action on hair and scalp. It makes your hair soft, shiny and voluminous.

This cream assures a correct hydrolipidic layer and gives hair softness and brightness.

### Usage:

- On washed and towel dried hair apply 10-15 ml (1/3 Fl.oz) of product on wet hair;
- spread it evenly;
- massage the hair for 2-3 minutes;
- comb and allow 3-5 minutes processing time
- rinse thoroughly.

500 and 250 ml pack.
